

PE and Sport Premium Grant 2016/17

What is the PE and Sports Grant?

The Education Funding Agency is providing additional funding to each school to improve provision of physical education (PE) and sport in primary schools. This funding - provided jointly by the Departments for Education, Health and Culture, Media and Sport – is allocated to Primary School Headteachers. This funding is ring-fenced and therefore can only be spent on provision of PE and sport in schools.

St Peter's Catholic Primary School PE and Sports Grant

Funding for schools is calculated by reference to the number of primary-aged pupils (between the ages of 5 and 11), as recorded in the annual school census in January 2016. For this academic year 2016-2017 St Peter's Catholic Primary will receive £8,800

Use of the 2016/17 PE and Sports Grant allocation for St Peter's Catholic Primary School has been

1. To complete the PECS (Physical Education Curriculum Support) programme with specialist Club Sport coaches to improve knowledge and confidence in delivering dance modules within KS2.
2. To employ a specialist coach from Club Sport to provide a sports element to lunch break twice a week; one in KS1 and one in KS2
3. To use Club sport to provide more opportunities for intra-competitive sport at St Peter's.
4. To inspire the children with after school clubs, international athletes and circuit training.
5. To train more members of staff to be able to teach swimming.

The total cost of these is approximately £8,000. Any additional monies will be spent on equipment.

Impact of previous year's spending of PE and sports premium grant

An increased participation in intra competitive sport across the school. Every year was able to compete as part of a competitive sports day and KS2 will continue to develop this competitive element and it will become embedded in sporting culture at the school.

Staff upskilled through observing specialist sports teachers in a variety of PE areas. This has been evaluated and following an audit, will be developed further this year. This has already improved PE lessons and will be enhanced upon completion of PECS.

Children had a chance to compete in inter school competitions, e.g. Year 4 football and multi-skills competitions.

A sporting element has been added to play at lunchtimes with a greater number of children participating in activities provided by Club Sport.

Greater participation in after school sports clubs, including football, netball and judo.
