Dear Parents

As we come to the end of another school year, I would like to reflect back on a year “like no other”.

Usually at the end of the year I celebrate all the fantastic things that have been happening at our school. However, this is a very strange end to the year with none of our usual celebrations but that does not mean we have not achieved fantastic things. The home learning activities completed by the children have been amazing and I would like to thank you for becoming teachers over the past few months. I know it has not been easy juggling home schooling, working from home, child care and other demands on your time.

Please try not to worry about your child missing out and your fear of them “falling behind”. Every child will have had very different home learning experiences and they cannot be expected to have remembered all previous learning. It is up to us to build on and plan their next steps of learning on their return in September. We look forward to welcoming them all back in September back into routines and ready to learn. We will have plans in place to support your child in coming back and work together with you to ensure your child settles in quickly.

This time of year is always tinged with sadness as we say goodbye to those children who are leaving us this year. Sadly, we were unable to do many of the usual Year 6 end of year activities but Mrs Colley worked extremely hard and creatively to plan a fun, memorable end of term for Year 6. I would like to say how proud I am of them; how they matured and coped with such a difficult situation. We hope that they will, when this is all over, come back and see us to get the ‘goodbye’ hug they deserve.

*“As we say goodbye, you shall be waving hello to new opportunities in your upcoming life, and we wish you all the best for that”.*

Goodbye to:-

### **Mum2Mum talk: How to Protect Your Daughter's Self Worth**

Friday, 11th September at 7.30 pm. A free Zoom talk by January Donovan, founder of the Woman's School. This talk is particularly suitable for parents of tweens (8-12 years) and teens, and so if your daughter is about to start year 7, this would be a helpful preparation for the challenges of starting secondary school. Places can be booked at <https://mum2mum.ticketlight.co.uk/>.

### **Sport4Kids Summer Camp**

“Sport4Kids is excited to announce that we will be running a Sport4Kids Summer Camp at Hughenden Primary School!! We have spent weeks planning how our camp will look this year and obviously there will be some changes to align with current government COVID-19 advice, but we have ensured that this will look as close to 'normal' to the children enjoying our camps as possible. Numbers will be strictly limited and we do anticipate places filling up fast. By running for 5 full weeks we hope to see as many friendly faces enjoying our summer camp as possible.

Now, onto the fun stuff! A Sport4Kids Camp is action packed and full of laughter, we offer a massive variety of sports for children to try out, including archery, golf, tennis, rugby, football, basketball, dodgeball and much much more. But we aren't just about sports!

Also on offer is daily arts and crafts activities, face painting, themed days, water fights, and the much coveted King or Queen of the day ceremony!! You can find out more at <https://sport4kids.biz/camps/>

**Sport4Kids Summer Camp will be running ALL WEEK, EVERY WEEK  
from Mon 27th July - Fri 28th August from 8.30am - 5.00pm  
£25 per day (sibling and member discount available)**

To book your child a place please visit [https://booking.sport4kids.biz/hughenden\\_summer\\_camp\\_2020](https://booking.sport4kids.biz/hughenden_summer_camp_2020) early to avoid disappointment.

If you have any questions please call David on 07921067469 or email on [david.joy@sport4kids.biz](mailto:david.joy@sport4kids.biz).”

Yours sincerely
