## 1. Vision and values

The Directors of the Trust, Local Academy Committee Governors, and Trust and school leaders value each member of every school community as an individual created in the image of God.

As a Faith Community, we place a strong emphasis on creating and sustaining an ethos based on Christian principles. Care, understanding and respect for each other are paramount, and we aim to nurture and develop positive spiritual, moral, social and cultural attitudes within our school community. Religious education and collective worship are central to the life of our schools, whilst reflecting the rich variety of religious traditions and diversity of our society. Our ethos, vision and values ensure that every pupil, member of staff and others in our schools community, is given an equal opportunity to achieve their potential. In addition, each individual is entitled to learn, teach or work in a supportive environment and to benefit from the diversity of our school community.

Equality does not mean treating everyone the same; it means treating people fairly, with respect, having regard for their needs, rights and wishes. Sometimes, this might mean making reasonable adjustments or giving people extra help so that they have the same chances.

The following action plan outlines what will be achieved at St Peter's Catholic Primary School with regards to meeting the Single Equality Duty over the next three years. This plan supplements the STCAT Trust Action Plan contained in the STCAT Equality Policy (May 2022). Schools are also required under the Equality Act 2010 to have an accessibility plan. Our school aims to treat all its pupils fairly and with respect. This involves providing access and opportunities for all pupils without discrimination of any kind.

The plan will be made available online on the school website, and paper copies are available upon request.

Our school is also committed to ensuring staff are trained in equality issues with reference to the Equality Act 2010, including understanding disability issues.

## 2. Legislation and guidance

This document meets the requirements of [schedule 10 of the Equality Act 2010](#) and the Department for Education (DfE) [guidance for schools on the Equality Act 2010](#).

The Equality Act 2010 defines an individual as disabled if they have a physical or mental impairment that has a 'substantial' and 'long-term' adverse effect on their ability to undertake normal day to day activities.

Under the [Special Educational Needs and Disability \(SEND\) Code of Practice](#), 'long-term' is defined as 'a year or more' and 'substantial' is defined as 'more than minor or trivial'. The definition includes sensory impairments, such as those affecting sight or hearing, and long-term health conditions such as asthma, diabetes, epilepsy and cancer.

Schools are required to make 'reasonable adjustments' for pupils with disabilities under the Equality Act 2010, to alleviate any substantial disadvantage that a pupil with disabilities faces in comparison with a pupil without disabilities. This can include, for example, the provision of an auxiliary aid or adjustments to premises.

This policy also complies with our funding agreement and articles of association.
