1. Aims

All that we do in our family of schools is defined by our Mission and our Vision:

Our Mission: 'The glory of God is a human being fully alive!' (St Irenaeus)

Our Vision: Human flourishing and the uniqueness of every individual as a child of God is at the heart of our Catholic educational enterprise. In this context, a human being fully alive is one who is open to faith – to love

– to joy – and to learning. They are daily becoming the person God created them to be and they are ready to delight in their God-given gifts, and to use them in the service of the Common Good.

Outstanding attendance is everyone's responsibility. The St Thomas Catholic Academies Trust is committed to providing a quality education for all our pupils and ensuring that learners and their families understand the importance of punctuality and full attendance at school.

Students who are 'fully alive' will be full participants in school life and will look forward to their time in school. Where there are barriers to attendance, they will be examined, every effort made to understand them and to provide solutions. Through the application of this policy, we will unlock the potential of each child to truly delight in their God-given gifts and recognise this is only possible where a child attends school regularly and punctually.

We are committed to meeting our obligations with regards to school attendance by:

- fostering a shared understanding of the importance of good attendance across the whole-school community
- Promoting good attendance and punctuality
- Setting high expectations for attendance - positively reinforcing full or improved attendance and intervening where attendance falls below 97%
- Acting swiftly to reduce lateness, absence, persistent absence and severe absence, with a specific focus on immediate support for vulnerable learners
- Ensuring every pupil has access to the full-time education to which they are entitled
- Establish protocols to ensure that attendance issues are addressed early and effectively
- Building strong relationships with parents and carers to ensure pupils have the support in place to attend school, engaging and involving families in a proactive and positive way to sustain high attendance and to support and challenge parents/carers where attendance falls below 97%

We will also promote and support punctuality in attending lessons.

Learning:

Pupils' enjoyment of, and ability to participate fully in their education is of paramount importance to us as a Trust. Any absence affects the pattern of a child's schooling. Regular absence seriously affects learners' learning and progress over time, leading to poorer outcomes, which can inhibit life chances and opportunities. Department for Education (2016) research shows a direct relationship between the attendance of learners and their outcomes at the end of primary school or secondary school: put simply, the more days learners go to school, the better they do. Research also shows us that schools that relentlessly pursue good attendance have better overall attainment and behaviour.

Safeguarding:

Pupils may be at risk of harm if they are not in school regularly. Learners who are missing from school are at significant risk of being victims of harm, exploitation or radicalisation, underachieving, and becoming NEET (not in education, employment or training) later in life. We will do everything we can to ensure our learners are safe including as per guidance in KCSIE 2024 schools where reasonably possible asking for more than one emergency contact per child that is registered with the school. As such having more than one emergency contact may mean these are used to support attendance where it is not possible to make contact with parent / carer including when addressing concerns if a child is missing from education.

2. Legislation and guidance

This policy meets the requirements of the [working together to improve school attendance](#) from the Department for Education (DfE), and refers to the DfE's statutory guidance on [school attendance parental responsibility measures](#). - › [The Education \(Pupil Registration\) \(England\) Regulations 2006 \(and 2010, 2011, 2013, 2016 amendments\)](#)
- › [The Education \(Penalty Notices\) \(England\) \(Amendment\) Regulations 2013](#)

This policy also complies with our trust's funding agreement and articles of association.

All class teachers /form tutors are responsible for recording attendance on a daily basis, using the correct codes, and submitting this information to the school office.

3.7 School office staff

School office staff will:

- Take calls from parents about absence on a day-to-day basis and record it on the school system
- Transfer calls from parents to the head of year/pastoral lead (where relevant) in order to provide them with more detailed support on attendance

3.8 Parents/carers

Parents/carers are expected to:

- Make sure their child attends every day on time
- Call the school to report their child's absence using the school's agreed systems on the day of the absence and each subsequent day of absence), and advise when they are expected to return
- Provide the school with more than 1 emergency contact number for their children
- Ensure that, where possible, appointments for their child are made outside of the school day
- Book family holidays during school holidays
- Engage with any support offered to address any barriers to their child's attendance.

3.9 Pupils

Pupils are expected to:

- attend school punctually every day
- attend all lessons on time
- engage with any support offered by the school to help them overcome any barriers to attendance.

4. Recording attendance

4.1 Attendance register

We will keep an attendance register, and place all pupils onto this register.

We will take our attendance register at the start of the first session of each school day and once during the second session. It will mark whether every pupil is:

- Present
- Attending an approved off-site educational activity

- Absent
- Unable to attend due to exceptional circumstances

Any amendment to the attendance register will include:

- The original entry
- The amended entry
- The reason for the amendment
- The date on which the amendment was made
- The name and position of the person who made the amendment

See appendix 1 for the DfE attendance codes.

We will also record:

- Whether the absence is authorised or not
- The nature of the activity if a pupil is attending an approved educational activity
- The nature of circumstances where a pupil is unable to attend due to exceptional circumstances

We will keep every entry on the attendance register for 6 years after the date on which the entry was made.

Pupils must arrive in school by **8.50am** on each school day.

The register for the first session will be taken at **8.50am** and will be kept open until 9.00am.

4.2 Unplanned absence

The pupil's parent/carer must notify the school of the reason for the absence on the first day of an unplanned absence by **9am** or as soon as practically possible by calling the school (see also section 7).

We will mark absence due to illness as authorised unless the school has a genuine concern about the authenticity of the illness.

If the authenticity of the illness is in doubt, the school may ask the pupil's parent/carer to provide medical evidence, such as a doctor's note, prescription, appointment card or other appropriate form of evidence. We will not ask for medical evidence unnecessarily.

If the school is not satisfied about the authenticity of the illness, the absence will be recorded as unauthorised and parent/carer will be notified of this in advance.

4.3 Planned absence

Attending a medical or dental appointment will be counted as authorised as long as the pupil's parent/carer notifies the school in advance of the appointment.

However, we encourage parents/carers to make medical and dental appointments out of school hours where possible. Where this is not possible, the pupil should be out of school for the minimum amount of time necessary.

The pupil's parent/carer must also apply for other types of term-time absence as far in advance as possible of the requested absence. Please note that informing the school of intended absence does not mean that this absence will be authorised; for example, absence due to a term time holiday will be treated as an unauthorised absence. Go to section 5 to find out which term-time absences the school can authorise.

4.4 Lateness and punctuality

A pupil who arrives late:

- Before the register has closed will be marked as late, using the appropriate code
- After the register has closed will be marked as absent, using the appropriate code

Where there are concerns about punctuality, the school will make verbal contact with parents/carers. If the concerns persist, the designated senior leader responsible for attendance at each school will write to the parents/carers about punctuality, including a copy of the child's registration certificate, and stating the total minutes late over a determined period.

If there is no improvement, the school will arrange a meeting with the parent/carer, offering specific pastoral support using the resources and staffing already available within the school.

In the event of persistent lateness, the school may make a formal referral to relevant external agencies.

4.5 Following up unexplained absence

Where any pupil we expect to attend school does not attend, or stops attending, without reason, the school will:

- Call the pupil's parent/carer on the morning of the first day of unexplained absence to ascertain the reason. If we cannot reach any of the pupil's emergency contacts, we may conduct a home visit or contact the police and/or social services (if appropriate).
- Identify whether the absence is approved or not
- Identify the correct attendance code to use and input it as soon as the reason for absence is ascertained – this will be no later than 5 working days after the session
- Call the parent/carer on each day that the absence continues without explanation to ensure proper safeguarding action is taken where necessary. If absence continues, the school will consider involving an education welfare officer
- Where an absence is unplanned and there is no or insufficient communication with the school, the Attendance Officer will follow up on this with the parent/carer and will refer to the appropriate authority should this be needed; for example, referring to the Child Missing in Education team at the Local Authority.

4.6 Reporting to parents/carers

The school will regularly inform parents about their child's attendance and absence levels – annually in their school report or more frequently if it is a cause for concern.

5. Authorised and unauthorised absence

5.1 Approval for term-time absence

A headteacher will only grant a leave of absence to pupils during term time if they consider there to be 'exceptional circumstances'. A leave of absence is granted at the headteacher's discretion, including the length of time the pupil is authorised to be absent for.

A request can only be authorised where there are 'exceptional circumstances' for example bereavement or serious illness.

The school considers each application for term-time absence individually, taking into account the specific facts, circumstances and relevant context behind the request.

Any request should be submitted as soon as it is anticipated and, where possible, at least 4 weeks before the absence, and in accordance with any leave of absence request form, accessible via from the School Office. The headteacher may require evidence to support any request for leave of absence.

Valid reasons for **authorised absence** include:

- Illness
- Emergency medical/dental appointments
- Religious observance – where the day is exclusively set apart for religious observance by the religious body to which the pupil's parents belong. If necessary, the school will seek advice from the parents' religious body to confirm whether the day is set apart
- a pupil taking part in a performance if the local authority has granted a licence for this;
- a pupil being suspended or excluded;
- pupils on a temporary, part-time timetable, where this has been arranged by the school;
- bereavement (close friend or family member);
- study leave (where this has been approved by the school);
- Traveller pupils travelling for occupational purposes – this covers Roma, English and Welsh gypsies, Irish and Scottish travellers, showmen (fairground people) and circus people, barges (occupational boat

dwellers) and new travellers. Absence may be authorised only when a traveller family is known to be travelling for occupational purposes and has agreed this with the school, but it is not known whether the pupil is attending educational provision

5.2 Legal sanctions

The school or local authority can fine parents for the unauthorised absence of their child from school, where the child is of compulsory school age.

If issued with a fine, or penalty notice, each parent must pay £80 within 21 days or £160 within 28 days. The payment must be made directly to the local authority.

Penalty notices can be issued by a headteacher, local authority officer or the police.

The decision on whether or not to issue a penalty notice may take into account:

- The number of unauthorised absences occurring within a rolling academic year
- One-off instances of irregular attendance, such as holidays taken in term time without permission
- Where an excluded pupil is found in a public place during school hours without a justifiable reason
- whether there are exceptional circumstances that explain an absence that would usually be unauthorised.

If the payment has not been made after 28 days, the local authority can decide whether to prosecute or withdraw the notice.

Legal sanctions will only be pursued when the family concerned have been offered support and this has either been unsuccessful or the family have failed to engage.

6. Strategies for promoting attendance

Rewarding Good Attendance

We expect every child to come to school on time every day. We reward good attendance with special recognition certificates and prizes where appropriate at particular stages through the academic year.

Each school has their own attendance rewards system:

- Parents/carers are regularly reminded (via newsletters, the School Prospectus, the Home School Agreement and Parents' Evenings etc) of the importance of good attendance.
- All of the children who have 100% attendance in a term will receive an attendance certificate. An additional attendance certificate is awarded for children who have 100% attendance for the whole year.

7. Attendance monitoring

We recognise that poor attendance can be an indication of difficulties in a child's life. This may be related to problems at home and or in school. Parents should make school aware of any difficulties or changes in circumstances that may affect their child's attendance and or behaviour in school, for example, bereavement, divorce/separation, incidents of domestic abuse. This will help the school identify any additional support that may be required.

We also recognise that some students are more likely to require additional support to attain good attendance, for example, those students with special educational needs, those with physical or mental health needs, and looked after children.

7.1 Monitoring attendance

The school will:

- Monitor attendance and absence data half-termly, termly and yearly across the school and at an individual pupil level
- Identify whether or not there are particular groups of children whose absences may be a cause for concern

Pupil-level absence data will be collected each term and published at national and local authority level through the DfE's school absence national statistics releases. The underlying school-level absence data is published alongside the national statistics. The school and Trust will compare attendance data to the national average and share this with the Local Academy Committee and Board of Trustees.

7.2 Analysing attendance

The school will:

- Analyse attendance and absence data regularly to identify pupils or cohorts that need additional support with their attendance, and use this analysis to provide targeted support to these pupils and their families
- Look at historic and emerging patterns of attendance and absence, and then develop strategies to address these patterns

7.3 Using data to improve attendance

The school will:

- Provide regular attendance reports to class teachers/form tutors, and other school leaders, to facilitate discussions with pupils and families
- Use data to monitor and evaluate the impact of any interventions put in place in order to modify them and inform future strategies

7.4 Reducing persistent and severe absence

Persistent absence is where a pupil misses 10% or more of school, and severe absence is where a pupil misses 50% or more of school.

The school will use attendance data to find patterns and trends of persistent and severe absence.

To respond to persistent and severe absence, the school will seek to identify and address root causes. As there are a wide range of reasons for this occurring, the response will be determined on a case-by-case basis. However, typical strategies will include:

- supporting the pupil and their family to understand the reasons that attendance is important and the possible implications of repeated absences
- enhanced monitoring of individual pupils where attendance is (or could be) an issue
- Letters home
- holding meetings with parents or carers to discuss concerns
- Attendance contracts
- offering specific pastoral support using the resources and staffing already available within the school
- working with external partners to address the underlying factors that are causing the absence
- issuing warning letters and fixed penalty notices;

An individual child whose attendance is under 90% (regardless of whether or not the absences have been authorised) will be closely monitored by the designated senior leader responsible for attendance at each school, and a letter from the Headteacher will be issued regarding our concerns about their attendance.

Support offered to families will be child centred and planned in discussion and agreement with both parents and pupils. Where parents fail or refuse to engage with the support offered and further unauthorised absence occurs, Schools will consider the use of legal sanctions.

8. Monitoring arrangements

This policy will be reviewed as guidance from the local authority or DfE is updated, and as a minimum every 2 years. At every review, the policy will be approved by the Local Academy Committee.

9. Links with other policies

This policy links to the following policies:

- Safeguarding and Child Protection policy
- Behaviour policy

10. Equalities monitoring

<p>To what extent does this policy have any implications for people of relevant protected characteristics (RPC) as outlined below?</p> <ul style="list-style-type: none"> • Age • Disability • Gender reassignment • Marriage and civil partnership • Pregnancy and maternity • Religion or belief • Sex • Sexual orientation <p style="text-align: right;">(Equality Act, 2010)</p>	<p>Assessment:</p> <p>This policy is applied in the context of the Object for our Academy Trust as set out in the Articles of Association and Scheme of Delegation.</p> <p>There is no other intentional impact on protected characteristics.</p>
<p>Will this policy advantage or disadvantage any particular group?</p>	<p>Collecting data for all "groups" will disadvantage those students whose attendance is lower than non-RPC students by identifying them as being in needs of support which will enable them to achieve as well as non-RPC students.</p>
<p>How will this policy, if relevant, promote equality of opportunity across our school?</p>	<p>Improving the attendance of any 'group' will lead to greater equality of outcome and therefore improved relations between all groups of students.</p>
<p>Success criteria and monitoring</p>	<p>Success criteria:</p> <ul style="list-style-type: none"> • Progress is being made towards meeting attendance targets. • Rates of authorised and unauthorised absence are minimized and at or below national averages. • The attendance of groups identified as having a particular problem will show improvement following relevant interventions. <p>Monitoring:</p> <p>Local Academy Committees will review this annually.</p>

Policy into Practice

Attendance: Intervention Escalation Plan

- ▶ **Individual schools will have a range of different approaches and the triggers for each intervention will vary from school to school. School leaders should therefore edit the contents of each section accordingly, paying particular attention to the sections highlighted in yellow.**

Notes for staff:

- Staff responsible for monitoring behaviour can use their discretion to escalate to the next tier before triggers are met if there are sudden changes in circumstances or patterns of attendance. However, the reasons for this must be recorded clearly on the agreed school systems and, where relevant, the pupil's personal attendance plan.
- Where there are significant concerns, staff responsible for monitoring behaviour do not need to work progressively through each stage - they can use their discretion to escalate to whichever stage is the best fit for the individual case. The reasons for this decision should be recorded.
- If stages are missed, staff should ensure that the relevant attendance warning letters are still issued at appropriate times.
- When a pupil is moved to a higher tier, the following staff should be informed: Mr Nicol Headteacher and Mrs Thomas DSL and staff member in charge of attendance
- When a pupil is moved up or down a tier, the date of this should be recorded on the agreed school systems.
- When outside agencies are involved, this should be recorded on the agreed school system along with the date of the referral, the current date and details/outcomes of any meetings or discussions that take place.
- Where there are safeguarding concerns, these should always be recorded in detail on CPOMS and the Designated Safeguarding Lead should be made aware.

1. General messages about the importance of attendance (can be used especially in HT1 /2)

Dear Parent/Carer of {Pupil Name}

We need your help, please.

{Pupil Name} has been absent for {#} days of school, which is equal to {#} lessons missed so far this school year.

We know that sometimes our pupils cannot come to school because they are really unwell - and that's the right thing to do for them and other students. Medical advice is clear however that children with mild illness will often be well enough to attend - for example if they have a cough, or cold, without a temperature. The NHS guidance [Is my child too ill for school? - NHS \(www.nhs.uk\)](http://www.nhs.uk) is designed to support parents in their decision making about mild illness.

We also know that pupils fall behind their friends and classmates when they miss school. At _____ school we want the amount of missed education to be reduced as much as possible. We believe that our community is stronger together, with all of our pupils in school, on time, every day. We are building life skills, life-long friendships and preparing your child for future success.

We also know that you can have a significant effect on {Pupil Name} absences this academic year and we would really appreciate your help and support ensuring that {Pupil Name} comes to school every day so that they can get the best possible outcomes. We want to work with you to achieve this – please call or come in and meet {Pupil Name}'s class teacher or tutor if there is anything we can do to support you or your child. We appreciate that every family's situation is unique.

We will be in touch again to request a meeting with you if we have ongoing concerns about your child's attendance.

Kind regards

2. Absence due to lateness

Dear Parent/Carer of {Pupil Name}

We have noticed that {Pupil Name} is often absent in the mornings.

We know that mornings can be difficult for some pupils, and we are keen to help to improve {Pupil Name}'s attendance.

As I am sure you are aware, regular attendance at school is crucial for children to make good academic and social progress. It is essential to promote good habits from an early age and for children to recognise the importance of being on time and attending school regularly.

Children that are late to school :

- often feel self conscious – having to enter the classroom alone
- miss the beginning of the lesson, which contains the introduction for the work from the teacher
- have to catch up with the rest of the lesson
- miss the social part of the beginning of the day
- cause disruption to all other class members

We would love to talk to you to discuss avenues for support to help {Pupil Name} attend school well. Please contact [insert staff member name and contact information] to make an appointment or arrange a phone call.

Kind regards

3. Attendance between 93 – 96% (First Warning Letter)

Re: First attendance warning letter

Dear [parent/carer's name],

I am writing to you because [pupil's name]'s attendance has become a cause for concern. It currently stands at [add percent].

Regular attendance is an important factor in a child's academic success. When pupils are frequently absent, it is difficult for them to keep up with their school work and this could affect their life chances. For this reason, we take school attendance very seriously.

If your child is going to be absent from school, it is important that you contact the school on the first day of the absence to inform us of the reasons. If this continues for more than one day, you should make contact with the school on a daily basis to keep us updated.

We are keen to work with you to address any barriers to your child's attendance. If you require any advice or support on this matter, please get in touch with [add name and contact details] to discuss this and we will do our best to help.

Yours sincerely,

[Name of staff member

4. Attendance between 90 – 93% (2nd Warning Letter)

Re: Second attendance warning letter

Dear [parent/carer's name],

Following our previous letter dated [date of first letter] regarding [child's name]'s attendance, there continues to be a cause for concern. Our records show that [insert name of child]'s attendance is currently at [add percent].

School attendance is an important issue and something we take very seriously. I am therefore requesting that you come into school to discuss the current situation.

I have arranged for this meeting to take place in school on [add date] at [add time]. Please could you confirm that you are able to attend this meeting. If you are unable to attend, please contact the school office to make an alternative arrangement.

Regular school attendance is the responsibility of parents/carers. If your child's attendance remains at the current level, a referral will be made to the local authority who may need to start legal proceedings.

We look forward to your support in resolving this matter.

Yours sincerely,

Attendance below 90% - Final Letter (Potential Legal Action)

Re: Final attendance warning letter

Dear [parent/carer's name],

Following two previous letters, we are now writing to formally express our ongoing concerns about the irregular attendance of your child, [add name and date of birth].

If a pupil fails to attend school regularly, the parent could be guilty of an offence under section 444 of the Education Act 1996. I am therefore warning you that, if further unauthorised absences are recorded, or your child fails to attend school regularly, we will need to refer this matter to the local authority.

Following this notification, if your child's attendance and/or punctuality does not improve, the local authority may start legal proceedings against you.

If issued with a fine, or penalty notice, each parent must pay £80 within 21 days or £160 within 28 days. The payment must be made directly to the local authority.

If it is determined that an offence has been committed, this could eventually result in a fine of up to £2,500, a community order or imprisonment.

We will not issue further notification should we need to escalate this matter to the local authority.

We have attached a record of your child's attendance with this letter.

Yours sincerely,

Individual Attendance Plan

- This fully editable document provides a template for creating an individual attendance plan. You are free to add, amend or delete sections to allow you to address the needs of your individual school or pupils.

How to use this template

Writing **in blue** gives suggestions for how to complete the plan. Delete these instructions and replace them with your own content.

Please note: It is important to capture a full picture of support offered over time. Therefore, rather than deleting or editing historical entries, it is better to add subsequent interventions or updates to the plan along with the date that these were added. If the school has any other additional record keeping systems (such as an online safeguarding system), staff should ensure that the relevant details are recorded in both places.

The separate form to record review meetings can be copied and pasted as many times as needed.
